**Renewed Demand for Service by Marshal pursuant to FRCP 4(c)(3)**

Is it not true that Docket Entry #17 in this case states:

Docket Text: ORDER - Plaintiff's motion titled Demand for Service by Marshal pursuant to FRCP 4(c)(3) (ECF [15]) is DENIED as moot. Plaintiff is directed to comply with the order dated January 6, 2010 detailing the process for effectuating service via the U.S. Marshals Service. Plaintiff can obtain the necessary forms from the Clerk of the Court. Ordered by Judge Michael H. Simon. (mja)

does it not?

Is it not true that Summonses for each of the thirty-one Defendants have been issued by the Clerk?

Is it not true that these thirty-one Summonses are now sitting in the chambers of administrators wearing black robes, titled Judges?

Is it not true that the administrators wearing black robes, titled Judges, **have a duty** to give these thirty-one Summonses to the Federal Marshals to be served?

Is it not true that the administrators wearing black robes, titled Judges, **have not yet given** these thirty-one Summonses to the Federal Marshals to be served?

Where is the accountability for the administrators wearing black robes, titled Judges?

May I once again demand that these thirty-one Summons be given to the Federal Marshals to be served, or else to know the reasons why not, and to know what else I must do?

***NOTE: NOT PRO SE***

May I hereby give notice that I, ronald-kenneth: strasser, Claimant, also known as Ronald-Kenneth: Strasser, Claimant in the above-named case, am not “pro se”?

May I demand any evidence or facts which might support this label “pro se”?

**May I demand that the term “pro se” not be applied to the record?**

May I point out that I am not “representing myself” – I am myself?

May I point out that an attorney (one who practices attorney) “represents” a fiction?

And that the attorney is also a fiction? May I point out that I am not a fiction?

Who put this label into the record without my consent?

May I point out that “pro se” is Dog Latin?

Whoever you are, why are you labeling me in Dog Latin when we all speak English?

May I point out that “pro se” does not appear in Bouvier’s Law Dictionary, 1856 Edition?

May I point out that I am “sui juris” ?

***RESCINDING AND REVOKING ANY AND ALL POWERS FOR ATTORNEY***

May I give notice that I hereby rescind and revoke any and all Power(s) for Attorney that I may have ever granted in the past to anyone, including any and all Power(s) for Attorney assumed, presumed, by anyone in any court panel?

May I give notice that in document [13], Notice for Appeal, I gave Michael Simon notice that I hereby rescind and revoke any and all Power(s) for Attorney that I may have ever granted

in the past to anyone, including any and all Power(s) for Attorney assumed, presumed, by anyone in any court panel?

May I point out that I have never knowingly, willingly nor voluntarily granted any Power for Attorney to anyone in any court system?

Hereby, if you don't mind, I am disavowing and disaffirming, back to the date for infancy, am I not?

Does anybody object if I reserve the right to change or amend this document for errors and omissions consistent with intent? With all rights reserved without prejudice? And if I am misguided by my own conscience, then you will correct me, will you not?

In pursuance to 28 USC 1746, may I hereby declare under penalty for perjury under the laws for the United States that the foregoing is true and correct, and executed on 2 March, 2020?
